Was the Usual Light Receipts on Saturday.

TOP PRICE WAS \$5,121-2

Fairly Good.

The early dispatches yesterday morning quoted the hog market slow and lower at Kansas City and with good receipts buyers here would have been in 10 market steady to firm; native steers, 10 market stead City to pay transportation, let alone shrinkage on the longer suppment. There was the usual light Saturday's supply and the market yesterday was only shade indicated and the same and the market yesterday was only shade indicated and the same and t and the market yesterday was only a shade under that of the previous day. Tops prought \$6.124 yesterday, against \$5.16, but the tops on Friday were rather better hogs than sold for \$6.124 yesterday. The three car loads of hogs that tops of the market vesterday were Obts. topped the market vesterday were Okla-homa products, and they were good and of about the desired weight. It will be noticed that very few shippers of hogs from Oklahoma are re-

ding men from this city who visit Oklahoma report that people down there inquire about the prospects of get-ting Cudahy here. They want another packer like Dold at Wichita.

The top price for hogs in Kansas City last Friday was \$5.40, and the bulk prices were 55.2% and 55.30. In Wichita the same tay the top price was 55.15 and the bulk hought K.50. Thus it will be seen that Ranaus City was 55 cents ahead of Wichita on tops and 1712 to 20 cents on

which in tops and 1715 to 20 cents on the bulk of sales.

A very unusual thing happened on the Kansas City horse market last Thursday. A car load of Montana range horses, weighing 1200 to 1,200 pounds, sold for \$82.00 per head for export to Liverpool. They were simply halter troke. John Hyde, statistician for the department of agriculture, shows that Kansas on September 12 had only \$2 per cent as the Co. C. Chastam, M. V. ment of agriculture, shows that Kansas on September 1st had only \$2 per cent as many stock hogs as on the same date that the cook W. S. Cook W. S. Chas. (2)

ho had churse of collecting fleeces of merican wool for the Paris exhibit, has on awarded a gold medal for his work.

At Healy ought to have been awarded.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, dis-courages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order

Kidney trouble has become so prevalent, That it is not uncommon that it is not uncommon for a child to be born afflicted with weak kid-neys. If the child urinfor a child to be born

ates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage. It is yet afflicted with bed-welting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as

most people suppose.

Women as well as mon are made miserable with kidney and bladder trouble, and both need the same great remedy.

The mild and the immediate effect of Swamp-Root is soon realized. It is sold Liverpool was %@\delta higher. There were by druggists, in fiftycent and one dollar

WORKS LIKE MAGIC FOR GIRLS

My daughter is much better. She is now starting on her third bottle. Wine of Cardul and Thedfore's Black-Draught have worked like magic with her. I have told some of my acquaintances of your medicines and can heartily recommend them to others. My daughter had both uterine and ovarian symptoms, side seeks, backache, and a headache now and then, especially in the top of the head. But the most stubborn pain was in the left side at the lower edge of the ribs or three or four inches above the upper part of the grain, with soreness of the whole abdomen during the period.

Mrs. B. T. MILLIKEN.

Mothers whose daughters are nearing the age of womanhood should give a care to their condition, before they reach the stage of suffering Mrs. Miliken describes. Too often beautiful and promising girls become permanent invalids because of a lack of proper caution at this critical period of their lives. The important thing for a girl just entering we anhood is to be started right. Then a healthy and happy life will follow.

WINE OF CARDUI

is the great emmenagogue. It will regulate the menstrual flow. It will start the girl right. Every mother should present her daughter with a bottle of Wine of Cardui and teach her to rely on it as a friend. Girls who take an occasional dose of this pure Wine are strong and healthy. They avoid much agony and torture. Mrs. Milliken's daughter was cured of all her suffering and now she is a strong woman. Your daughter may be strong. There is no danger to feat at the coming of the menstrual habit where Wine of Cardui is allowed to start healthy periods. Thousands of mothers endorse Wine of Cardul. All druggists sell \$1.00 bottles.

In cases requiring special directions, address, giving symptoms, "The Ladies' Advisory Department", The Chattanooga Mediciae Co., Chattanooga, Tena.
